1 Balance Bill Support

Did you receive a bill for charges that exceed your plan limits? Submit it quickly and easily here. You can also check the status of past submitted bills.

Tip: Compare your Explanation of Benefits (EOB) to any bill you receive from your provider. If they do not match, you have a balance bill. Submit it to us right away so we can get to work!

2 Guide Services

Find the right healthcare provider for your needs. Compare doctors and facilities based on a variety of factors with real-time data on:

- Provider locations
- Provider acceptance of plan's payment
- Provider quality ratings
- Estimated costs for healthcare services

Tip: Call the member number on your benefits ID card if you need a little more help in finding a provider!
